

## NIESBUD SIGNS MoU WITH CBSE

A Memorandum of Understanding is signed between The National Institute of Entrepreneurship and Small Business Development (NIESBUD) and Central Board of Secondary Education (CBSE) on 3<sup>rd</sup> December, 2012 for the promotion of entrepreneurship courses for the students. Under the MoU, three major areas have been identified:

1. Revision of text book for Entrepreneurship
2. Training of the teachers who would be teaching Entrepreneurship
3. Popularizing Entrepreneurship among the students

This is one of the important initiative of NIESBUD and CBSE in order to orient a student to opt for self-employment i.e. Entrepreneurship as a career at the school level itself. The basic idea is to encourage students to set up their own enterprises so that more 'job creators' are promoted instead of 'job seekers'. Our motive is to inculcate the entrepreneurial culture among the children and objective is to "CATCH THEM YOUNG". The MoU is signed by Shri Arun Kumar Jha, Director General, NIESBUD, Noida and Shri Vineet Joshi, Chairman, CBSE, New Delhi.
