Press release

"Valedictory Session and Magazine Launch of ILOGE and ESB-TP International Training Programmes" 21 March , 2015.

The National Institute of Entrepreneurship and Small Business Development (NIESBUD) organizes two International Training Programmes "Innovative Leadership for Organization Growth and Excellence and Entrepreneurship for Small Business Trainers and Promoters" which started on 27th January 2015.

The Valedictory function of these programmes was held on 21st March 2015 in the Institute. Shri Arun Kumar Jha, Director General, NIESBUD while welcoming the Chief Guest Mrs Stuti Kacker, Ex-Secretary, Department of Disability Affairs, Ministry of Social Justice and Empowerment, Government of India and Guests of Honour Dr Mohit Dubey, Pro-Vice Chancellor, IFTM University, Moradabad and His Excellency A N Sheikh Lemu, Minister Political from High Commission of the Federal Republic of Nigeria, congratulated the participants on the successful completion of the training programmes, encouraged them to use the knowledge acquired to bring positive changes to their society and nation. Mrs Stuti Kacker during her address appreciated the efforts of NIESBUD in conducting capacity building programmes and emphasized on learning initiatives. His Excellency A N Sheikh Lemu and Dr Mohit Dubey also congratulated the participants on the successful completion of the training programmes and expressed their heartiest wishes to all the participants for their future endeavors. Dr Rishi Raj Singh, Programme Director presented a recap of activities including classroom and study visits covered during the entire 8 weeks programmes.

The certificates of the successful completion of training programmes were distributed by Chief Guest and Mr S N Tripathi, Joint Secretary, MSME. The feedback and learning experience of participants is beautifully compiled in the magazine prepared by the participants which was also released during the function. The programme concluded by presenting vote of thanks by Parul Puri, Programme Coordinator.
